Commissioner for Patents

The reply filed on 7/25/03 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The applicants did not provide the copy of the latest status and listing of all claims (including amended, original, canceled) with their response. It is now required to submit the status of all claims each time an amendment is submitted. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Note: The previously non-elected claims should be listed as original claims when applicants submit their sheet containing the status of all claims because the applicants' arguments were convincing and now all claims will be examined including those previously held non-elected.
